

## **Supporting Our Community**

This section shows a part of the Festival that is very dear to us.  
There is nothing more fulfilling than making other people happy.  
The quickest way for you to smile is to make someone else smile.

*We make a lot of smiles supporting these groups.*

---

**This year each day you attend the Festival, please bring at least one can of food. This is not mandatory unless it is in your own convections, but remember there are a great deal of people out there that need our help. Our goal this year is to fill a Forgotten Harvest truck. Drums and boxes will be at all entrances to the Festival**

**If you would you like to know more about this organization: [www.forgottenharvest.org](http://www.forgottenharvest.org)**

---

For the past 4 years we have sponsored a blood drive donating close to 100 pints. We have helped save 300 people.

Again this year we ask for your support in helping others.

We believe if our parents and grandparents who are able to help will take the time to support this very worthy cause, our children will also do this in the future. **If you would you like to know more about this organization: [www.redcross.org](http://www.redcross.org).**

**All those who donate a pint of blood will get a complimentary Shish Kabob Dinner**

---

Since we have had an outside carnival, we have invited children from less fortunate areas to have a day at the carnival. We have provided them lunch and snacks, they have spent 3 hours on the rides, families have packaged them gifts and the church school provided them with special school supplies . Our plans are to help these children again.
